Dear Donors, Hari Om, Namaste!

Greetings from CCMT Education Cell!

We are happy to share this Newsletter, “**स्वातंत्र्योत्सव पुस्तक**” acknowledging the generous contribution of the donors for participating in the crowdfunding initiative. It is with immense gratitude we present this thanking the donors for their overwhelming response. We are happy to give you an insight into the Chinmaya Education Movement which started in 1965, when Pujya Gurudev Swami Chinmayananda established the first School at Kollengode, Kerala. In Gurudev's own words, in the letter written for the inauguration of Chinmaya Vidyalaya, Kollengode in 1965: “Children are the very cream of our generation and they are the rulers and makers of tomorrow. Upon them depends the future of our nation and the safety of our culture and tradition. Let us give them a healthy physical and mental atmosphere to grow, ingrain in them respect for life, love for living creatures, team spirit, national fervor and pride in our Indian culture. I am sure that such schools will grow everywhere throughout the country under the benign patronage and service of our Mission branches.”

The Chinmaya Vision Program- the USP of our Education Movement

Chinmaya Vidyalayas are called SWAD schools, Schools with A Difference. The differentiating element is the Chinmaya Vision Program. The emphasis of the program is to provide individuals with the right vision of life. “As the vision, so the creation”. Chinmaya Vision Program is a Value Based Education Program. It reflects the ethos of the National Education Policy 2020 and it is so amazing that the various aspects of NEP 2020 have been a part of the Chinmaya Vidyalaya Education program since 1996. CVP identifies the inculcation of values and character formation as the ultimate purpose of education. Accordingly, it focuses on child development on seven aspects, viz., physical development, mental development, intellectual development, spiritual development, awareness to Indian Culture, feeling of Patriotism and the spirit of oneness through Universal Outlook.

Such emphasis in education leads to holistic development of children. Here, the best of modern education is given in the exalted, sacred spirit of the 'Gurukula' tradition. This will create Indians who will fit perfectly into and contribute much to today's society. At the same time, they will remain firmly entrenched in the changeless roots of our perennial philosophy. With Gurudev's 'Vision Of Education', the Chinmaya Vision Program aims to lead all those involved in education from where they stand today to reach and revel in his 'vision of life' – a vision that helps children to evolve into men and women of outstanding and lasting character and achievement. -- Schools that are not part of Chinmaya Mission are also encouraged to implement the Chinmaya Vision program by becoming 'Vision Schools'. The Chinmaya Vidyalayas have been making a great impact in the society, socially, culturally & scholastically.

Social Impact:

Chinmaya Vidyalayas cater to a cross section of the community. Some schools cater to the lower income group, and some others the middle-income group and a few for the upper middle class as well. 3 Harihara Chinmaya Vidyalayas are completely free schools run in villages for educational upliftment and skill development of the local people. Gurudev aspired that our children should emerge with non-compromising values and have the mental sagacity to serve the Nation. There is a focus on service in our vidyalayas.

- The Bal Sevak award initiative introduced in our Vidyalayas, aims at nurturing Children to have the “Seva Bhav” in them. Around 2000 students have received the Bal Sevak award for contributing 120 hours of service. Thus 2,40,000-man hours of service has been provided by our Vidyalaya Students.

Scholarships for the needy- A Noble initiative

One of the major contributions of the Chinmaya Education Cell is to ensure all Children receive Education. Every year starting from 2014, around 100 students are identified from the Vidyalayas and they are extended support financially to meet the cost of their School fees, uniforms, books and note books. Around 20-25 lakhs is budgeted annually for the same. This year being the Pandemic year and thanks to our generous donors, we have extended almost 230 scholarships to different children across different Chinmaya Schools. The scholarship amounts are sent to the Schools and the same is distributed to the parents.

Thanks Note from the Principals

With Immense Pleasure let me express my sincere gratitude to CCMT Education Cell for the generosity shown to my children by awarding the Scholarship. It is an honor for children, which helps them to achieve higher goals in their life. The Financial assistance you furnished them even in this Covid 19 pandemic will be of great assistance in their educational expense and it will lead them to concentrate more in their studies. I am truly grateful for the scholarship.

Once again, I express my deep gratitude to CCMT Education Cell.

Smt. Ashalatha

I am hereby expressing my heartfelt gratitude to CCMT Education Cell for providing scholarships to 4 students of our Vidyalaya (Nakul Pai- XI, Dhvani –IX, Meenakshi PT-IX and Punithraj-V). All four of these students are very good in studies and co-curricular activities. But they are facing financial problems and all these four kids don't have any support from father's side. Nakul Pai- XI, Meenakshi PT-IX and Punithraj-V lost their father and Dhvani's –IX father is not taking care of her from childhood. This scholarship will be a great help for those students. When they grow up they will also do such seva activities with the blessings of Poojya Gurudev.

Thanking you
In the name of Lord

My son Punithraj lost his father last year who was undergoing treatment for cancer. The demise of his father in this young age caused lot of problems in the family, mentally and financially. In this situation the scholarship given by CCMT Education Cell to my son Punithraj will be very helpful for his studies. Thank you so much for this. When he grow up, we promise you that he will also do such seva activities with the blessings of Pujya Gurudev. My heartfelt thanks to principal mam for arranging this.

Thanking you

Gratitude letter from the Parents

Sir/Madam,

I, Leo Dennis George, Father of Denoy Dennis, thank the CCMT Education Cell for the scholarship bestowed on my ward. I really appreciate this assistance and cannot express my gratitude enough. The willingness to help students financially is wonderful and I hope that CCMT continues to do so for as long as it is within your power. I am glad that my ward is advancing in his studies. With this scholarship, he is able to keep setting higher goals for himself and push harder. Above all, this compassionate act has enabled him to create a vision for tomorrow.

This has lightened our financial constraints, which allows my ward to focus more on the most important aspect of school- learning. Your generosity has inspired us to help others and give back to the community. Thank you once again for this huge opportunity.

Leo Dennis George,
Father Of Denoy Dennis
