Dear Donors, Hari Om, Namaste!
Greetings from CCMT Education Cell!

We are happy to share this Newsletter, “Gratefully Yours - 2” acknowledging the generous contribution of the donors for participating in the crowdfunding initiative. It is with immense gratitude we present this thanking the donors for their overwhelming response. We are happy to give you an insight into the Chinmaya Education Movement which started in 1965, when Pujya Gurudev Swami Chinmayananda established the first School at Kollengode, Kerala. In Gurudev's own words, in the letter written for the inauguration of Chinmaya Vidyalaya, Kollengode in 1965: “Children are the very cream of our generation and they are the rulers and makers of tomorrow. Upon them depends the future of our nation and the safety of our culture and tradition. Let us give them a healthy physical and mental atmosphere to grow, ingrain in them respect for life, love for living creatures, team spirit, national fervor and pride in our Indian culture. I am sure that such schools will grow everywhere throughout the country under the benign patronage and service of our Mission branches.”

The Chinmaya Vision Program- the USP of our Education Movement

Chinmaya Vidyalayas are called SWAD schools, Schools with A Difference. The differentiating element is the Chinmaya Vision Program. The emphasis of the program is to provide individuals with the right vision of life. “As the vision, so the creation”. Chinmaya Vision Program is a Value Based Education Program. It reflects the ethos of the National Education Policy 2020 and it is so amazing that the various aspects of NEP 2020 have been a part of the Chinmaya Vidyalaya Education program since 1996. CVP identifies the inculcation of values and character formation as the ultimate purpose of education. Accordingly, it focuses on child development on seven aspects, viz., physical development, mental development, intellectual development, spiritual development, awareness to Indian Culture, feeling of Patriotism and the spirit of oneness through Universal Outlook.

Such emphasis in education leads to holistic development of children. Here, the best of modern education is given in the exalted, sacred spirit of the 'Gurukula' tradition. This will create Indians who will fit perfectly into and contribute much to today's society. At the same time, they will remain firmly entrenched in the changeless roots of our perennial philosophy. With Gurudev's 'Vision Of Education', the Chinmaya Vision Program aims to lead all those involved in education from where they stand today to reach and revel in his 'vision of life' – a vision that helps children to evolve into men and women of outstanding and lasting character and achievement. -- Schools that are not part of Chinmaya Mission are also encouraged to implement the Chinmaya Vision program by becoming 'Vision Schools'. The Chinmaya Vidyalayas have been making a great impact in the society, socially, culturally & scholastically.

Social Impact

Chinmaya Vidyalayas cater to a cross section of the community. Some schools cater to the lower income group, and some others the middle-income group and a few for the upper middle class as well. 3 Harihara Chinmaya Vidyalayas are completely free schools run in villages for educational upliftment and skill development of the local people. Gurudev aspired that our children should emerge with non-compromising values and have the mental sagacity to serve the Nation. There is a focus on service in our vidyalayas.

The Bal Sevak award initiative introduced in our Vidyalayas, aims at nurturing Children to have the "Seva Bhav" in them. Around 2000 students have received the Bal Sevak award for contributing 120 hours of service. Thus 2,40,000-man hours of service has been provided by our Vidyalaya Students.

Students work very closely with the Chinmaya organization for Rural development (CORD) and with their collaboration take up various service activities.

Chinmaya Vidyalaya students raised a donation of 25 lakhs during the Kerala flood time in 2017. More than 50 alumni serving as Doctors in various parts of the country are working as Covid warriors in different hospitals.

Brief statistics of our Vidyalayas:

- No. of students currently studying at Chinmaya Vishwavidyapeeth - 400 since inception till 2023

Cultural Impact:

Chinmaya Vidyalayas are considered one of the frontrunners among good schools in the towns/cities they are situated. Chinmaya Vidyalayas have provided the opportunity to parents who wish to send their children to a school preserving and promoting Indian culture and character building.

- All Indian festivals are celebrated meaningfully.
- The Traditional practices of India like wishing “Hari Om”, “touching the feet of elders”, “practicing Yoga”, Conducting “Matru Pitru Aradhana” & so on is taken up in all schools.
- Significances of all festivals are shared in the Vidyalayas.
- Structured chanting syllabus is followed up across schools and colleges.
- Geeta chanting is an essential part of the Schools and colleges.
- Knowledge, Tradition, practices of India: KTPI, Subject has been introduced in Chinmaya Vidyalayas as an optional subject at classes 11 & 12.

Chinmaya Vidyalaya Tripunithura

"It was indeed a great honour for me to unveil the Chinmaya Vidyalaya Flag when I reached Everest Base Camp. And yes! I was all smiles ...in tune with the motto. The school means a lot to me especially because I am one of that few, who can claim to have been a student, a teacher and now a parent. This idea of bringing the chinmaya tag to the forefront was first proposed by Rajesh KN, a senior of mine when 5 of us went to Bali Pass last September. Hoping that we have many such crusaders in future years to come!"
